

# JOIN A 4-H CLUB

## WHAT TO SELECT?

In Tom Green County 4-H we have a total of 15 Clubs: 2 Administrative (can't enroll in), 7 Community Clubs, 4 project Clubs, 1 Military club, and 1 In-School Club. Not sure what the difference is? Administrative clubs help us run county-wide programs throughout the year - you aren't able to enroll in them but you can participate in them. Community clubs give you a well-rounded approach and focus on ALL aspects of the 4-H program. Project clubs will focus their time on specific projects that 4-H has to offer. The Military club is specifically for youth who participate in the youth programs at Goodfellow AirForce Base. And lastly, the in-school clubs are only for youth that attend that school.

When registering for 4-H on 4-HOnline you will have to select AT LEAST one club in order to register. However, that does not mean that you can't participate in more than one club. For example, if you want to participate in a community club but also want to join archery, you can do that! Below you will find a list of ALL clubs we have here in Tom Green County.

### Administrative Clubs

#### Tom Green 4-H County Council
