TEXAS A&M  
**AGRI LIFE**  
EXTENSION

The members of Texas A&M AgriLife will provide equal opportunities in programs and activities, education, and employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation or gender identity and will strive to achieve full and equal employment opportunity throughout Texas A&M AgriLife.

## Texas 4-H Junior Master Photographer

## What to Expect as a Junior Master Photographer

The Texas 4-H Junior Master Photographer program provides advanced instruction to photography enthusiasts.

As a Junior Master Photographer, youth will be expected to return to their counties and districts to serve as teen leaders for the project. Additionally, Junior Master Photographers may be called upon by the County Extension Agent or 4-H Specialist to serve as photographers for various 4-H events and activities.

Only dedicated photography project youth wishing to expand their knowledge as well as service to others should apply for this opportunity.

## CRITERIA TO EARN TEXAS 4-H JUNIOR MASTER PHOTOGRAPHER TITLE

1. Participate in both the required training workshops:
  - Workshop I: Camera basics, manual settings and lighting
  - Workshop II: Color and composition
2. Complete competency test with a minimum score of 80%
3. Submit photographs demonstrating understanding of instruction
4. Participate in at least ONE practice opportunity, either one structured especially for Junior Master Photographer candidates or on your own
5. Complete a community service project which relates to the photography project
6. Take part in at least two organized project experiences:
  - Demonstration
  - Speech/Illustrated talk
  - Project tour/field trip
  - County photography judging
  - Photo workshop
  - Radio/TV presentation
  - Create Internet website or photo album
  - Short Course related to photography
