

2025 Shamrock Shuffle

All funds raised benefit the TGC 4-H Facilities & the TGC 4-H Scholarship Fund

For years, the Tom Green County 4-H program has provided youth with hands-on learning experiences, from livestock, horse, fashion & interior design, and food & nutrition to consumer education, outdoor education, shooting sports, and dog care & training. The program's mission is to develop leadership, citizenship, and life skills, helping shape self-sufficient, productive citizens. With 12 active clubs, 350 members annually, and outreach to over 3,000 local students, 4-H continues to impact our community.

On **Saturday, May 10, 2025**, the Friends of 4-H will host the 28th Annual Shamrock Shuffle at the First Financial Pavilion. The evening will include a steak dinner and live entertainment by 12 Mile, a local San Angelo band. Proceeds will support ongoing improvements to the 4-H Building and Shooting Sports Complex, along with funding for the Tom Green 4-H Scholarship Fund.

To reach our goal, we need your support. The Friends of 4-H invites you to be part of this event and invest in the future of Tom Green County's youth through a sponsorship of the Shamrock Shuffle. Your generosity will make a lasting impact on 4-H members and programs.
